This generous five apartment double fronted property is set in the heart of the very popular Finnieston district, previously voted one of the trendiest places to live in the UK.

The property retains a wealth of original features including ceiling cornice, feature fireplaces and original stained glass. The internal accommodation comprises; vestibule reception hall with storage off, an elegant formal lounge, dining kitchen, four large double bedrooms and a family bathroom.

In addition, the property has gas central heating and a communal rear garden.

Today Finnieston has been promoted and built up as a modern residential and leisure area, mirroring Shoreditch in London. To this end many new bars and restaurants have been established, including The Ox & Finch, The Gannet, Six by Nico, The Kelvingrove Café, The Crabshakk and The Finnieston. Finnieston Street is a major junction on the Clydeside Expressway, and on 18th September 2006, was augmented with the addition of the Clyde Arc (known locally as “The Squinty Bridge”) over the River Clyde.

Finnieston is also home to the SEC and the world-renowned OVO Hydro, where many events and concerts are held.

Public transport is available by bus and rail and there are excellent road links to Glasgow City Centre, via the Clydeside Expressway, the Clyde Tunnel and motorways.
